Are you in a position to supply me with any of the coins briefly described below? I should want pieces in good condition and closely similar to the pieces described if not actually of the same variety.

1. Spanish Pillar Dollar, of 1766.

2. Schlick Thaler; Joachim Thaler.

3. Elizabeth gold Pound piece, preferably with the Woolsack mint mark.

4. New York Excelsior Cent.

5. Testone of Francis I. Portrait side must be good.

6. Kopek of Elizabeth of Russia, with a clear figure of St. George and the Dragon on the reverse.

7. Shekel of the Fourth Year of the Revolt.

8. Tarentum Stater, with youth on dolphin holding helmet and with KAL beneath.

9. Florin of Louis of France.

10. Stater of Poseidonia; of the incuse type, in good condition.

11. Aureus of Augustus, with inscription outward; that is, with the bottom of the letters next the rim and reading from right to left.

I hope you will be able to help us find these pieces, which are to be used in connection with architectural designs for a bank.

Gentlemen: Attention: Mr. B. G. Johnson

If you have in your stock any staters of Corinth or its colonies it is possible that we may be able to place some of themffor you, if you will be so good as to send them to us in the usual manner.

If you have any reasonably priced Greek coins of southern Italy or Greece proper (not Asia Minor) I should be glad to have you make a selection of them and send them along with the Corinthian pieces.

Very truly yours,

SN:JC

Dear Mr. Noe:-

We are sending today by express, prepaid, a consignment of Greek silver, as per invoice. Do not have much in the line of Corinthian staters however, but are sending a lot of the cheaper Greek silver and copper along the lines you mention. Trust a few pieces may appeal to you. You may deduct 10% discount on such as you may purchase.

Dear Mr. Noe:-

We thank you for your favor enclosing $44.10 and coins returned in full to date. R egret that at this time we do not have anything in the line of staters of Caulonia or Poseidonia in stock. Is there anything else you would be interested in at present?

Dear Mr. Johnson:

We have been bothered by a flood of letters which originate from something which has been printed in the Missouri Ruralist. I am enclosing a letter of which I should be glad to have you complete the address if that is possible, in an attempt to stop this flood. Evidently they have printed something which leads the farmers to think that if they have a Lincoln head penny their fortune is made.

Cordially yours,
